

MOTHER'S DAY OFFERING

2022 LEADER'S GUIDE

Isaiah 41:20

Gifts of Hope

We have freely received from God's grace and are called to freely share His love with others. Thank you for leading your church to extend life-changing hope to hurting patients and families through the Mother's Day Offering—in the name of Jesus Christ and His love.

➤ ORDER MOTHER'S DAY OFFERING MATERIALS AND SHARE THEM WITH YOUR CHURCH.

Please visit the *Mother's Day Offering* website at www.mothersdayoffering.org/order, call FaithHealthNC at (336) 716-3027, or email Rev. Brian K. Davis at briadavi@wakehealth.edu to order bulletin inserts, posters, *Mother's Day Offering* envelopes, and magazines.

Materials may also be downloaded at www.mothersdayoffering.org.

- Distribute bulletin inserts during the Week of Prayer (May 2-6, 2022)
- Promote the *Mother's Day Offering* in your church newsletter, using a brief article or clip art (download at www.mothersdayoffering.org).

➤ PROVIDE "MISSION MOMENTS" DURING WORSHIP SERVICES, SUNDAY SCHOOL CLASSES OR MISSION GROUPS. TALK WITH YOUR PASTOR ABOUT THE BEST TIMES.

- Share a story from the enclosed DVD at the beginning of worship or during the Offertory.
- Share a brief story of a patient or family who has been helped by the *Mother's Day Offering*—from the enclosed magazine.
- Invite a speaker by contacting Rev. Brian K. Davis at (336) 716-3027 or briadavi@wakehealth.edu.

➤ PROVIDE MISSION PROGRAMS

- For a Wednesday evening service or missions group, share the full DVD and/or other stories from previous years at www.mothersdayoffering.org.
- Encourage youth and children's groups to develop creative mission projects to raise funds (biking events, bake sales, car washes, yard services).
- Encourage adult fund raising projects such as yard sales, pancake breakfasts or supper events.
